Infant! It is very evident that these industries are sturdy and strong to-day, else how could we compete with European markets to the extent of 700, 000, 000 Why should we not welcome any influence which, working quietly so as not to greatly disturb existing business conditions, will enable Americans, Italians, Germans, Frenchmen, all people in whatever part of the globe they live, to become equal sharers in natures bountiful gifts developed by the ingenuity of man in any part of the world Today we do not all share alike. We in the United States have foolishly placed a barrier about...

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
