Romancing the Voters, Don t Be Honeyfuggled by Fred Schnaubelt is one of the clearest, most concise little books I ve ever read on the workings of our government. Fred explains each issue we face so well with just a few words. I believe it should be in the hands of every citizen prior to our next election. This would also be a helpful little guide for all college age students as they prepare to cast their first votes. Kathleen Wesselink, DTM/PDG Past Distinguished Governor of District 35 Toastmasters Romancing the Voters is a series of issues that find their way into the public arena year after year. More about the book after something from the Author, Fred Schnaubelt. Hi, I m Fred. I was born in San Diego and since 21 have struggled to find answers to recurring political issues. I grew up in Casa de Oro and graduated from Pt. Loma High School in 1958. I have married 3 times. I met Dr. Irina Nikolaevna Antonova in Russia and married her in Moscow in 1987, just before the Soviet Union collapsed. I have two adult children. At my age I m thinking ahead and want to go peacefully in my sleep like my grandfather and not screaming like the passengers in his car. So I m sharing nuggets gleaned from researching over 500 books on the most persuasive responses to some ever current political issues. The issues addressed are intended to be controversial and hard. Answers and insight required thousands of hours of research, ever since I was 21 and first registered to vote. I need your help in emailing your comments about my book...
