Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. London, 1889. For Ira Adler, former rent-boy and present plaything of crime lord Cain Goddard, stealing back the statue from Goddard s blackmailer should have been a doddle. But inside the statue is evidence that could put Goddard away for a long time under the sodomy laws, and everyone s after it, including Ira s bitter ex, Dr. Timothy Lazarus. No sooner does Ira have the porcelain dog in his hot little hands, than he loses it to a nimble-fingered prostitute. As Ira s search for the dog drags him back to the mean East End streets where he grew up, he discovers secrets about his own past, and about Goddard s present business dealings, which make him question everything he thought he knew. An old friend turns up dead, and an old enemy proves himself a friend. Goddard is pressing Ira for a commitment, but every new discovery casts doubt on whether Ira can, in good conscience, remain with him. In the end, Ira must choose between his hard-won life of luxury and standing against a grievous wrong.
