Equinox Publishing Ltd, United Kingdom, 2012. Hardback. Book Condition: New. New.. 240 x 160 mm. Language: English . Brand New Book. Tend Your Garden offers an original and adaptable classroom model, built on a foundation of educational research, for motivating young adolescent writers. The Young Adolescent Motivation Model of Writing (YAMM) places the young adolescent learner, aged 11-14, at its center, surrounded by the components needed to motivate the learner to high levels of academic composition or creative writing. The components of the model are: teaching to the whole child; developing a writing community; presenting motivating, high-interest lessons; integrating process writing across the curriculum; offering choice and critical thinking; building upon each writer s strengths; and using authentic assessment. Each component is revealed within succeeding chapters that blend best practice pedagogy with related theory. Sample lessons that fit the needs and engagement levels of young adolescent writers are provided, representing a wide array of writing genres and content area subjects. Literature, drama, music, drawing, and painting are offered both as invitations to writing and as responses to writing, and these are applied within a process-based, workshop format, with teacher modeling of each stage of the writing process. The approach recognizes motivation that is tied to the needs of young adolescent writers and that places responsibility on students in their development as writers and learners, while the teacher assumes a facilitative and supportive role of discovering the strengths, interests, and literacy needs of each student. The holistic, learner-centered process approach represented by the YAMM model nurtures students motivation for achieving success in writing because it necessitates evolving, facilitative roles for the teacher in a collaborative writing community decidedly focused on the success...
