Brand New Book ***** Print on Demand *****.This is the introduction to the book. I write books against Christianity. Jews have been doing this for 1,900 years. Its one of the few or maybe our only tradition that everyone has bought into. Most of the books that Jews wrote have been for internal consumption, comedies really, making the so called god-man of the Christians the butt of the joke. The most successful one was about Panthera, a Roman soldier, presented as the father of the so called god-man. He had an affair with the mother when she cuckolded her betrothed and told him that a ghost did it and the sapsucker believed her. How dumb can you get? That book broke the laugh meter. The cuckold comes off looking like the village idiot. She was running with this guy the whole time before the nuptials and she convinced the cuckold that she was still a virgin even though she was pregnant. He went for it. Setting the story in Nazareth explains why the woman would have married the meatball. Nazareth did not exist but if it had, it would have been a boom town. Sepphoris, the great metropolis, which would have been four miles away, had been destroyed during an insurrection right at that time. They had to rebuild it. Every tradesman and supplier for miles around had guaranteed income for years and years. No wonder the bimbo wanted to latch on to the meatball. She may have loved Panthera but soldiers were here today and gone tomorrow. Christianity is a species of Greek mythology and much in that genre is like that, racy and fantastic at the same time. Nothing unusual...
