The Coroner s finding that the bones belong to a female professor from a nearby college galvanized the residents who look to their inexperienced sheriff for answers, but he has none. With the aid of Lily Pennwether, owner of the town s quaint bookstore, who considers herself an amateur sleuth and her fellow club members, Sheriff Danny Cashion finds himself beset with many clues; too many and mostly mis-leading. Wading through the myriad of lies and half-truths - and more deaths - Sheriff Cashion must find the multiple killer or killers to avert complete panic in the mountain village, afraid that the killers will strike yet again.
