By Michael Buckley

Abrams, United States, 2007. Paperback. Book Condition: New. Reprint. 175 x 137 mm. Language: English . Brand New Book. The sisters Grimm come face to face with their parents kidnappers, and are stunned when one of them turns out to be the world's most famous fairy-tale character (hint, she wears red) and the other an unstoppable killing-machine known as the Jabberwocky. Without the presumed-dead Mr. Canis (aka The Big Bad Wolf) fighting at their side, the girls have little hope that they'll ever be reunited with their mother and father. That is until their long-lost Uncle Jake returns home with stories of a weapon that can kill the Jabberwocky, but one so powerful that it had to be shattered into many pieces. Now the girls must find the pieces so the deadly weapon can be reforged. But to get the deed done they'll have to go head-to-head with the Wizard of Oz, the (not so) Little Mermaid, and even the horrible witch Baba Yaga. To complicate matters, Sabrina begins to struggle with an addiction to magic and finds herself unravelling a real-life family mystery the origins of which have caused suffering for generations of Grimm's.
