Nicolette Mace is a private investigator out of necessity, not choice. With her family dead and nowhere else to turn she had to learn to stand on her own two feet and live the only way her father ever taught her to. Life as a private investigator isn't all big cases, excitement and arch enemies. Filling the Afterlife from the Underworld follows the day to day musings and activities of Nicolette Mace: The Raven Siren, taken from her online blog. My name is Nicolette Mace, but you might know me as the Raven Siren. I'm a Private Investigator living the 1930s romantic dream in this new and exciting modern age. I keep records of everything that happens; everything I have seen and done. Why There are more things in heaven and earth, Horatio, than are dreamed of in your philosophies. Events featured in this volume take place between Nicolette Mace: The Raven Siren - Beginnings and Nicolette Mace: The Raven Siren - The Kevin Metis Saga. My place may not be much to look at, but it is home. It has been set on fire more times than I can count, had explosives planted beneath the floorboards, had burst pipes, hosted any gunfights and even been redecorated by an RPG. And yet it is still standing. . . sort of. - Home Sweet Home, Nicolette Mace This item ships from La Vergne, TN. Paperback.
