Taylor Francis Ltd, United Kingdom, 2012. Hardback. Book Condition: New. 236 x 162 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This ground-breaking and innovative book examines the influence of charisma on power, authority and nationalism. The authors both apply and challenge Max Weber's concept of charisma and integrate it into a broader discussion of other theoretical models. Using an interdisciplinary approach, leading international scholars draw on a diverse range of cases to analyse charisma in benign and malignant leaderships, as well as the relationship between the cult of the leader, the adulation of the masses and the extension of individual authority beyond sheer power. They discuss idiosyncratic authority and oratory, and they address how political, social and regional variations help explain concepts and policies which helped forge and reformulate nations, national identities and movements. The chapters on particular charismatic leaders cover Abraham Lincoln, Kemal Ataturk, Adolf Hitler, Benito Mussolini, Gamal Nasser, Jorg Haider and Nelson Mandela. Political Leadership, Nations and Charisma will appeal to readers who are interested in history, sociology, political communication and nationalism studies.
