

## Essentials of Anatomy Physiology, Books a la Carte Edition

---

By Frederic H Martini, Edwin F Bartholomew

Pearson, United States, 2016. Loose-leaf. Book Condition: New. 7th. 274 x 226 mm. Language: English . Brand New Book.

NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version.

Books a la Carte also offer a great value this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson s MyLab Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson s MyLab Mastering products. For one-semester courses in anatomy physiology. Guiding students through challenging AP concepts Celebrated for its precise illustrations, time-saving navigation and study tools, and engaging clinical content, Essentials of Anatomy Physiology is crafted especially for students with no prior knowledge of anatomy physiology and little science background. The Seventh Edition eases students through tough AP topics, answering the need to help AP students learn and retain challenging content in the fast-paced one-semester AP course. New book features, all supported by interactive MasteringAP media, include...
