B DEPARTMENT OF DEFENSE GLOBAL EMERGING INFECTIONS SURVEILLANCE AND RESPONSE SYSTEM DOD GEIS - The Department of Defense Global Emerging Infections Surveil-lance and Response System GEIS was established in response to Presidential Decision Directive NSTC - 7, June 1996. According to President Bill Clinton, the mission of the DOD would be expanded to include support of global surveillance, training, research, and re-sponse to emerging infectious disease threats. DOD - GEIS is de-signed to, strengthen the prevention of, surveillance of and re-sponse to infectious diseases that are a threat to military personnel and families, reduce medical readiness or present a risk to U. S. na-38 tional security. DOD - GEIS is managed by a Central Hub office located at the Walter Reed Army Institute of Research. DOD - GEIS operates within five Army and Navy overseas medical research laboratories, and within...
