

Socialism (Classic Reprint) (Paperback)

Filesize: 8 MB

Reviews

Complete guide! Its such a excellent read through. It is full of wisdom and knowledge I am very happy to inform you that here is the very best pdf i have got study inside my very own daily life and might be he very best pdf for possibly.

(Mr. Ronaldo Kulas)

SOCIALISM (CLASSIC REPRINT) (PAPERBACK)

[DOWNLOAD](#)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Socialism The purpose of this book is to give the reader a general knowledge of Socialism. Discussions bearing on technical phases of the question, that form a large part of the Socialistic writings of the day, have been purposely omitted. The volume is one that the busy reader can pick up at odd moments without having to hold in mind from day to day a laborious chain of reasoning. The discussions are popular rather than technical and, in so far as possible, are non-partisan. To facilitate an easy reading, the leading schools of Socialism are treated separately. Thus the Utopians and the Christians, although having some common beliefs, are each given a section. The followers of Karl Marx, the acknowledged orthodox Socialists, and the disciples of Edward Bernstein, the avowed revisionists, are treated separately. One feature of the book which will commend itself to the general reader is the extensive bibliography. Nearly two hundred references to some of the best Socialistic writings, both affirmative and negative, have been gathered together, and, in order that the reader will lose no time when using these references, they have been divided into five groups corresponding to the five general divisions into which the book itself is separated. In a word the whole arrangement of the book is admirably suited to the reader who wishes to gain a general knowledge of Socialism, while the extensive reference lists permit the person with time and inclination to carry on extended researches. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses...
