Brand New Book ***** Print on Demand *****.Whether you re a Forever Alone Guy who s never had any luck with women, or just an average guy trying to master the art of attracting women. You need to know that attraction isn t a choice at all. It s a feeling, an emotion that is created by the overall presentation of a guy to a girl. Attraction isn t all about types. I will show you how every type of guy could get a beautiful woman to go out with him at least once, and from that point on it s game on-maybe even more so if the guy has game and he knows how to apply the secret of emotional fluctuation. That s right. It s all about emotions. This is what the general population misses when they talk about social dynamics. If a girl rejects a guy, that guy will automatically think it s because of some physical flaw he has. Whereas, in reality it s usually his lack of understanding of how to create attraction that killed it for him. This is just a bird s eye view into what s really going on. You have to learn to be confident, how to make girls feel comfortable, attracted, and it doesn t hurt if you can make them laugh very quickly. In this book, I will help you accomplish all that and more for less than what you waste on eating and drinking out. This book will add lifetime value to your life with 30 Rich and High Quality FIELD TESTED LESSONS. So, buy your copy today and LET S GET STARTED! Inside, you will learn: What women are really attracted to....
