Brand New Book ***** Print on Demand *****.Excerpt from Report and Recommendations, 1910-11: With Appendices Sir, - We have the honour to submit the complete and final report on the Fisheries of the province of Manitoba and part of the waters to the north, in the district of Keewatin. These fisheries we were authorized to investigate by order in council, dated March 16, 1909, in which order in council we were constituted a commission to inquire into and report on the conditions and requirements of the fisheries in question, in view of the fact that the necessity appeared for a complete revision of the fishery regulations, in order to meet the changed conditions in this western portion of the Dominion of Canada. From time to time regulations have been enacted, which as the fisheries developed, it became necessary to amend or to entirely recast. So long ago as 1865, the necessity was realized by the inhabitants of the enforcement of legal restrictions respecting the fisheries, and the Governor and Council of Assiniboia received in the year named a petition bearing 180 names, calling attention to the state of the fisheries in the Red river and Assiniboine. It was pointed out in the petition that the fishery had been injured by the erection of barriers, or weirs, which, it was stated, had caused a great destruction of fish, and had prevented a majority of the people from obtaining a fair share of fish food, upon which so many were largely dependent. It was decided as appears from the minutes of the Council of Assiniboine, held May 30, 1865, that It shall be unlawful to erect any weirs or barriers in any part of the Red...
