Little, Brown Book Group. Paperback. Book Condition: new. BRAND NEW, Reeve: A Mother's Story, June Steenkamp, In the early hours of Valentine's Day 2013, Olympic athlete Oscar Pistorius killed his girlfriend Reeve Steenkamp, shooting her multiple times while she cowered behind the locked door of their bathroom. His trial has attracted more international media attention and public scrutiny than any since that of OJ Simpson. What went on behind the scenes though? And what was the real Reeve like, away from the photo shoots and the attention of the media? A beautiful 29 year old from Port Elizabeth, Reeve graduated as a lawyer and campaigned for human rights causes before deciding to try the world of modelling in South Africa's most vibrant city. Her relationship with international hero Oscar Pistorius seemed like a fairy tale of triumph over adversity - double amputee turned champion athlete meets small town girl with beauty and brains wanting to make her mark on the world. No one could have predicted the tragic and horrifying conclusion to that fairy tale. Reeve's mother, June Steenkamp, has kept a dignified silence throughout the long months since she received the phone call every mother dreads. In this painfully honest and unflinching account of Reeve's life, she talks about what really went on in her mind as she sat in the packed Pretoria court room day after day and how she is coping in the aftermath of the verdict. Reeve is the only true insider's account of this tragic story.
