Brand New Book ***** Print on Demand *****.Young Austrian male embarks on a journey to United States in search of his family. He has only scant and contradictory information about his grandfather Leslav lost in the turmoil after WWII. The first search trip to US ends in a fiasco. He was also Lydia s lover and fathered two children by her. Lydia, grandfather s lover, an anorexic woman with three major love affairs in her life, also a psychoanalytic patient and a dedicated breeder of cows in upper New York State. Milton, Lydia s husband, a lawyer, businessman and CIA agent who ultimately takes to bed his own daughter Pat while convinced he was not her father. Claire, Lydia s daughter, whose major wish was to have a normal life which happened to be beyond her reach. Upon return to Austria all members of the Yankee Family are brought to life in a Halloween masquerade performed in...
