

Migration in China and Asia

By Jijiao Zhang

Springer-Verlag Gmbh Apr 2014, 2014. Buch. Book Condition: Neu. 244x162x22 mm. Neuware - This book will enlarge our grasp of global migration phenomena, offering insights into the fascinating, at times startling, realities of human migration in Asia. The chapters presented in this volume offer variety in not only theme but in approach to migration in Southeast and East Asia. Particularly welcome for a volume on migration studies, a discipline that has long been dominated by economists, sociologists, and geographers, are the chapters that approach the subject from an anthropological or ethnological perspective. These chapters bring to our attention details of the lives of migrants and their communities that are often lost in studies of migration statistics, the economic aspects of migration, or aspects of urban geography with which we have become more familiar. Some chapters are more theoretical in nature and herein lie some of the most important reasons for studying migration involving Asian countries: migration studies have, until relatively recently, developed their theoretical insights on the basis of European migration to North America. Asian migration offers new theoretical challenges to migration scholars; its dynamism is such that predictions of what is to come are not for the risk averse....
