

Outlines of the Philosophy of Right

Filesize: 5.94 MB

Reviews

Absolutely essential study pdf. It is written in basic words and phrases rather than hard to understand. I am just happy to tell you that this is basically the finest pdf I actually have studied during my personal lifestyle and can be the very best publication for actually.

OUTLINES OF THE PHILOSOPHY OF RIGHT

[DOWNLOAD](#)

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Outlines of the Philosophy of Right, G. W. F. Hegel, T. M. Knox, What is rational is actual and what is actual is rational. Hegel's Outlines of the Philosophy of Right is one of the greatest works of moral, social, and political philosophy. It contains significant ideas on justice, moral responsibility, family life, economic activity, and the political structure of the state - all matters of profound interest to us today. Hegel's aim is to lay out the various forms that human freedom must take on, if it is to be true freedom. He seeks to show that genuine human freedom does not consist in doing whatever we please, but involves living with others in accordance with publicly recognized rights and laws. Hegel demonstrates that institutions such as the family and the state provide the context in which individuals can flourish and enjoy full freedom. He also demonstrates that misunderstanding the true nature of freedom can lead to crime, evil, and poverty. His penetrating analysis of the causes of poverty in modern civil society was to be a great influence on Karl Marx. Hegel's study remains one of the most subtle and perceptive accounts of freedom that we possess. This new edition combines a revised translation with a cogent introduction to his work. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
