Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Ever hear of a log-sawing ritual at a wedding ceremony? Or renting an apartment with kitchen space, but no kitchen? How about having to bring birthday cake to work on your own birthday? In The Frankfurt Files: Tales of an American in Germany, David Conte moves overseas to Frankfurt, Germany, in order to save his relationship with his German girlfriend. But when he finds himself having to relearn life in a very different way, his storybook romance becomes one big lesson in surviving culture shock: hauling a couch up a flight of stairs by himself after being abandoned by callous furniture movers; participating in civilized nudity at a wellness center; addressing the issue of cream cheese abuse in German sandwiches. A discerning idealist turned idiot among foreigners, he relates the good, the bad, and the in-between of his offbeat cultural encounters.

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
