Quiet Corner Press. Paperback. Book Condition: New. Steven Novak (illustrator). Paperback. 402 pages. Dimensions: 9.0in. x 6.0in. x 1.0in. For Tommy Jarvis, life has never been simple - quite the opposite, in fact. It is, however, about to become decidedly more difficult. Moments after stumbling through a doorway to another world, Tommy and his friends discover they are the key to ending a war in which the casualties are too great to count and their chances of survival are almost nonexistent. After stumbling through a doorway hidden at the base of their tree fort, the brothers find themselves caught in the middle of a war that has raged for years and left behind more casualties than numbers dare count. Along the way they'll encounter creatures both bizarre and terrifying and find friends in the most unpredictable of places. Fathers and Sons is the first in a trilogy that follows an unlikely group of children turned heroes and their adventures in a world that has nothing in common with their own, against an army of war mongering creatures led by a tyrant king and a young prince that will stop at nothing to see them dead. The Forts series continues with Forts: Liars and Thieves, and Forts: Endings and Beginnings. Praise for Fathers and Sons 5 of 5 Stars! No one should miss out on this series. It sticks with you long after the final page is turned. - Completelybookessed What you don't expect are those singing moments of poetry, of beauty, and the life lessons woven behind every chapter. Novak isn't just trying to tell you a fantastic adventure story. Novak is trying to teach you something about himself, and, by extension, something about you. - MJ Heiser, Author of Corona There are moments along their journey, and even before it...
