Private Investigator Nikki James grew up on the tough streets of Lyndhurst and believes there is nothing left to surprise her. That changes the night she follows teenager Monica Trevgard and becomes a pawn caught in a war between two very different men. One fills her mind with his madness; the other pushes his way into her heart. Nikki knows how dangerous love can be but, if she wants to survive, she must place her trust in a man who could destroy her. For 300 years, Michael Kelly has existed in the shadows, learning to control the death cravings of a vampire. Nikki not only breaches his formidable barriers with her psychic abilities, but makes Michael believe he may finally have found a woman strong enough to walk by his side and to ease the loneliness in his heart.
