Brand New Book ***** Print on Demand *****.Dogs Love to Play, the second book in the Animals Love To series by J. Bruce Jones. In this fun children s picture book we get to play along with our favorite dogs and puppies as they do all the things we love so much about them. We see them run, eat, play with their favorite toy, sit on sofas, sleep on the bed. With beautiful pictures and text this book is perfect for beginning reading with your young child or dog lover at heart. The colorful pictures show dogs and puppies playing with toys, running in the surf, chewing on your favorite shoe, and playing with sticks. Dogs love getting a cool drink of water or meeting new friends and running with balls. Frisbees are a favorite play toy with dogs and several get caught in this book. Dogs love to swim and we have a beautiful picture of that along with several beach scenes. Running on the grass, howling at the moon, and playing catch will keep many dogs busy for hours. We love to see puppies sleep in a little basket and hang their heads out a window. Watch out for your bed, dogs just love to sleep there as much as they like hanging out on sofas. Puppies are great at sitting up front in boats, laying in the sun and taking a bath. Pick up a copy today of my new book Dogs Love to Play, Volume 2.
