Standard Japanese since its inception has spent 17 years in these 17 years. it relies on the grammatical system fully. to explain in layman's language. content. lively and practical features deeply Japanese learners favor and praise and become non Japanese professional students and self-learners learning Japanese preferred textbooks. 2005 and People's Education Press (Japan) Komura Publishing Corporation of materials for a comprehensive amendment and revision. making the structure more scientifically sound teaching. content and more close to reality. is an excellent textbook for beginners in Japanese . Unfortunately. currently market matching counseling materials only few kinds especially specifically syntax training basically no. Studied Japanese people know that the Japanese entry easier. but it is relatively difficult to improve. one of the reasons is that Japanese grammar is more trivial. the system of grammatical rules than European languages. and thus easy to remember and master. In actual teaching. I feel the need for special syntax and effectiveness of intensive training. For this consideration. we have compiled this book. Japanese version of the standard (primary)...
