## FEN

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Fen, Freya North, Two very different men, one very difficult decision. You wait forever for a real man. Then two turn up at once. Fen McCabe has only ever been in love once. So what if he's a long dead nineteenth century artist? She's an art historian. She calls it job satisfaction; her friends and family call it insanity. But then her path crosses not just with handsome publisher Matt Holden, but also with brooding landscape gardener James Caulfield - twenty years her senior. Though she fights it, Fen finds herself falling for both of them in a haze of sex, art and severe indecision. Does she really have to choose?.
