Baker Publishing Group, United States, 2009. Paperback. Book Condition: New. Reprint. 226 x 150 mm. Language: English . Brand New Book. Fee s book is the most comprehensive treatment available of Paul s understanding of the Holy Spirit, a topic that has rarely received sufficient attention in studies of Pauline theology. Fee s method is exemplary: he first analyzes Paul s statements about the Spirit, in each individual letter, and then moves to a synthesis of Paul s general pneumatology. The result is a book that is deeply exegetical, doing justice both to the particularity of Paul s writings and to the fundamental unity of his vision for the Spirit s role in the life of the Christian community. Most importantly, Fee emphasizes insistently that the Holy Spirit must be experienced as a living presence within the church. That message is both faithful to Paul and urgent for the community of faith in our time. --Richard B. Hays, professor of New Testament, Duke University Divinity School With the energy and care that is a trademark of his work, Gordon Fee here fills a significant gap in Pauline studies. Both those who find talk about the Holy Spirit congenial and those who would happily marginalize it will be instructed by this book. Fee makes a genuine contribution as he examines Paul s letters in conversation with both the exegetical tradition of the academy and the pressing needs of the church. --Beverly R. Gaventa, professor of New Testament and exegesis, Princeton Theological Seminary Fee uniquely combines professional competence as a text critic, an exegete, an author and editor of major commentaries, and a foremost evangelical interpreter of Paul with a lifetime of formation and ministry among the Pentecostals--this century s providential witnesses to the work of the Spirit of God among us....
