Empowering Globally Integrated Operations and Mission Command Revisiting Key West (Paperback)

By Joint Forces Staff College

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Common aspects of personnel policy, combat service support (CSS), and aviation must be unified across the military Services. Unification of these functions will improve military efficiency and effectiveness and enable the Chairman of the Joint Chiefs of Staff's concepts of globally integrated operations and mission command. Globally integrated operations require military forces that are much more homogeneous and able to combine at much lower echelons than is possible today. The organization of the Armed Forces has not undergone significant, fundamental change since its formal implementation in 1947, in spite of the fact that the specific organizational model chosen was highly contentious in its time and the external environment and character of warfare have seen dramatic changes in the nearly 70 years since 1947. The growth of staffs over the years, the reduction of tooth-to-tail ratios, the failure of joint basing to incur cost savings, and the existence of wasteful competitive redundancy of four Services conducting the same personnel, CSS, and baseline aviation functions with duplicative policies, systems, and staffs all point to opportunities for vast improvement in...
