P & R Publishing. Paperback. Book Condition: New. Paperback. 40 pages. Dimensions: 8.3in. x 5.2in. x 0.3in. Few things distinguish Christian and secular worldviews with greater clarity than the doctrine of providence: that everything that happens is the outcome of the sovereign overruling of God -- everything! What Is Providence examines this truth by observing how the Bible explains the complex lives of men and women, and also by weighing opposing viewpoints, including Open Theism and Molinistic views of middle knowledge. Basics of the Faith booklets introduce readers to basic Reformed doctrine and practice. On issues of church government and practice they reflect that framework -- otherwise they are suitable for all church situations. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
